TAKE ADVANTAGE OF OUR FAMILY- FRIENDLY SUMMER OF FUN!

by David Pascoe

Every year, the Saint Anthony West Neighborhood Organization works hard to put on a series of fun events that the whole family can enjoy. We partner with the Park Board and host many events in Dickman Park along with a bi-weekly "walk and learn" program that meets on the patio of the NE Yacht Club. Our next walk and learn will be on June 24th starting at 6:30 p.m. It's important to us to keep the neighborhood safe and vibrant, and we look forward to seeing you over the next few months!

- Thursday, June 26 (Dickman Park): "Molly and the Magic Boot" puppet show!
- Tuesday, July 1 (7 p.m., Dickman Park): Live country music.
- Thursday, July 17 (7 p.m., Dickman Park): Free community picnic. Food and beverages will be provided and this is a

great way to get to know other members in the community and learn about everything that's going on! The neighborhood board will also be on hand to answer any of your questions.

- Tuesday, July 22 (7 p.m., Dickman Park): Return of our puppet friends with "The Marvelous Cow Boat!"
- Thursday, August 13 (7 p.m., Dickman Park): Live music.
- Wednesday, August 20 (Dickman Park): The movie "Charlotte's Web" will be played at dusk.

REMINDER: Hennepin County Ordinance #16 establishes curfew hours for juveniles. It also requires business places to abide by curfew ordinances and to report violations.

WE'RE SAVING ASH TREES

by Linda Koutsky

In mid-May, several STAWNO board members and volunteers hung blue ribbons on trees selected by the arborists. Those trees will be treated. Treatment is 100% effective; not harmful to birds, animals, or bees; and does not contaminate groundwater. The arborists have been approved by the Minneapolis Park Board.

WHAT CAN YOU DO?

- Help make sure ribbons stay on trees.
- Decide if you want to save any trees on your own property or on the boulevard.
- Volunteer to have an unmarked ash tree on your boulevard removed now. You might even be able to pick your replacement tree. Visit www.minneapolisparcs.org/eab
- Water replacement trees so they grow faster.

NEW RENTER ASSISTANCE PROGRAM FOR MINNEAPOLIS

by David Pascoe

After serving the suburbs for 22 years, HOME Line has received funding to start helping renters in the city of Minneapolis. HOME Line is a non-profit organization that provides free assistance to renters. Their mission is to inform renters about their rights and aid them in their issues with landlords.

The program boasts six staff

homelinemn.org

attorneys that can help people having issues with owner repairs, evictions, security deposits, and much more. Have a problem with ghosts in your apartment? Well in one strange case, they fielded questions from a renter who claimed to be having just such an issue.

HOME Line is happy to answer landlord questions as well. Also for a small fee, tenants and owners can attend a tenant training or purchase a renter handbook to answer their questions.

You can learn more by visiting www.homelinemn.org or calling 612-728-5767. HOME Line fielded almost 12,000 calls in 2013 so chances are they've probably dealt with most of the problems you can think of.
